

Permanent Teeth Eruption Chart

Camino Pediatric Dentistry
660 S. Bernardo Dr., Suite #1
Sunnyvale, CA 94087
CaringPediatricDDS.com

Name of Child: _____

The chart displays two arches of permanent teeth, labeled 'Upper Teeth' and 'Lower Teeth'. Each tooth is represented by a colored icon with a small 'X' indicating the eruption point. Lines connect these icons to labels on the left and right sides, which include the tooth type and its eruption age range. To the right of each tooth icon is a horizontal line for recording the eruption date.

Teeth	Age Range	Date
Central incisor	7-8 yr	_____
Lateral incisor	8-9 yr	_____
Canine (cuspid)	11-12 yr	_____
